Principles

Unless you choose to reveal it to us, your identity remains as an anonymous visitor to our website. If you do reveal your identity to us, we do not rent or sell your information.

We do attempt to identify which website pages our guests visit, the sole use of this information is to help us make our website more relevant to people who access them.

Gathering of personally identifying information

Certain visitors to Edu-Therapy Solutions websites and social media pages choose to interact with Edu-Therapy Solutions in ways that require Edu-Therapy Solutions to gather personally identifying information.

Those who engage in transactions with Edu-Therapy Solutions™ by purchasing through online registration or Edu-Therapy Solutions™ materials order are asked to provide additional information, including as necessary the personal and financial information required to process transactions. In these cases, only the information needed to fulfill the purpose of the interaction is collected, used and stored securely using widely accepted modern technology.

Edu-Therapy Solutions discloses potentially personally identifying information only to those of its employees, contractors, and affiliated organizations that need to know that information in order to process it on Edu-Therapy Solutions behalf.

Edu-Therapy Solutions will not rent or sell potentially personally identifying information to anyone.

Other than to its employees, contractors, and affiliated organizations, as described above, Edu-Therapy Solutions discloses potentially personally identifying information only when required to do so by law, or when Edu-Therapy Solutions believes in good faith that disclosure is reasonably necessary to protect the property or rights of Edu-Therapy Solutions, third parties or the public at large.

If you have supplied your email address, Edu-Therapy Solutions may occasionally send you an email to tell you about new features, solicit your feedback or just keep you up to date with what's going on with Edu-Therapy Solutions. If you send us a request (for example via a support email or via one of our feedback mechanisms), we reserve the right to publish the request in order to help us clarify or respond to your request or to help us support other users.

A cookie is a string of information that a website stores on a visitor's computer, which the visitor's browser provides to the website each time the visitor returns. Edu-Therapy Solutions uses cookies to help serve visitors by identifying and tracking visitor usage of its websites as well as their website access preferences and as a way to provide visitors with additional information that may be of interest. Visitors who do not wish to have cookies placed on their computers should set their browsers to refuse cookies before using Edu-Therapy Solutions websites, with the understanding that certain features of the websites may not function properly without the aid of cookies.
